

Junaid Mofiti

Date

DAY 1, Bored

DAY 2, MIS PROBLEMS

- Multiple spelling mistakes.
- Most Export Options not working
- GIS (There may be ISSUES, I have lack in understanding of Business process).
- SAP Integration not functional.
- Pages are duplicated (mean content is duplicated on the same page)
- Even if to

Tiers: Village → UC → Field Unit → Tehsil
 → District → Region → Province
 → Country.
